

03 07 2025

Several framed certificates and documents are pinned to the wall. Some of the text on the certificates is obscured by blue scribbles. The certificates appear to be related to technical or professional qualifications.

A collection of framed posters and images is displayed on the wall. The posters feature various subjects, including what looks like a tractor, a car, and some technical diagrams. A wooden pendulum clock is mounted on the wall to the right of the posters.
