Several framed notices and certificates are posted on the left wall. One prominent notice is titled "Notice to Staff" and lists various instructions. To its right, a grey electronic device, possibly a clock or intercom, is mounted on the wall.

A black metal shelving unit on the left side of the room. The top shelf contains several bottles of Windex and other cleaning products. The middle shelf has a grey bag or container. The bottom shelf is partially obscured by a green bag.

A white sink is mounted on a white cabinet. On the counter next to the sink, there are several clear plastic water bottles and a small brown box. The wall above the sink is covered in white square tiles.

A red metal shelving unit on the right side of the room. The top shelf is crowded with boxes of 'WC NET' disinfectant, some labeled 'A4' and 'A44', and other supplies. The second shelf from the top holds several yellow boxes, possibly containing gloves or other medical supplies. The third shelf is filled with yellow gloves, some in a bag labeled 'yellow', and other items. The bottom shelf contains a cardboard box and more gloves.
